
2015 – 2016 Mystery BOM

Month Eight – April 2016

This month's block is partially paper pieced and partially traditionally pieced. It's called "Garden Patch". This is a 9" finished (9-1/2" unfinished) Block. You will need to make three for the quilt.

The four patches will be traditionally cut and pieced. The spikes of the stars will be paper pieced.

Your fabric choices this month are to use light background, medium light, medium and dark fabrics as show in the greyscale drawing.

The paper piecing template has been added to the instructions. Make three copies (one for each block) and verify size to original before piecing. Each section of this nine-patch based block should be 3-1/2" unfinished before assembling the block.

FOUR PATCH DIRECTIONS:

Cut:

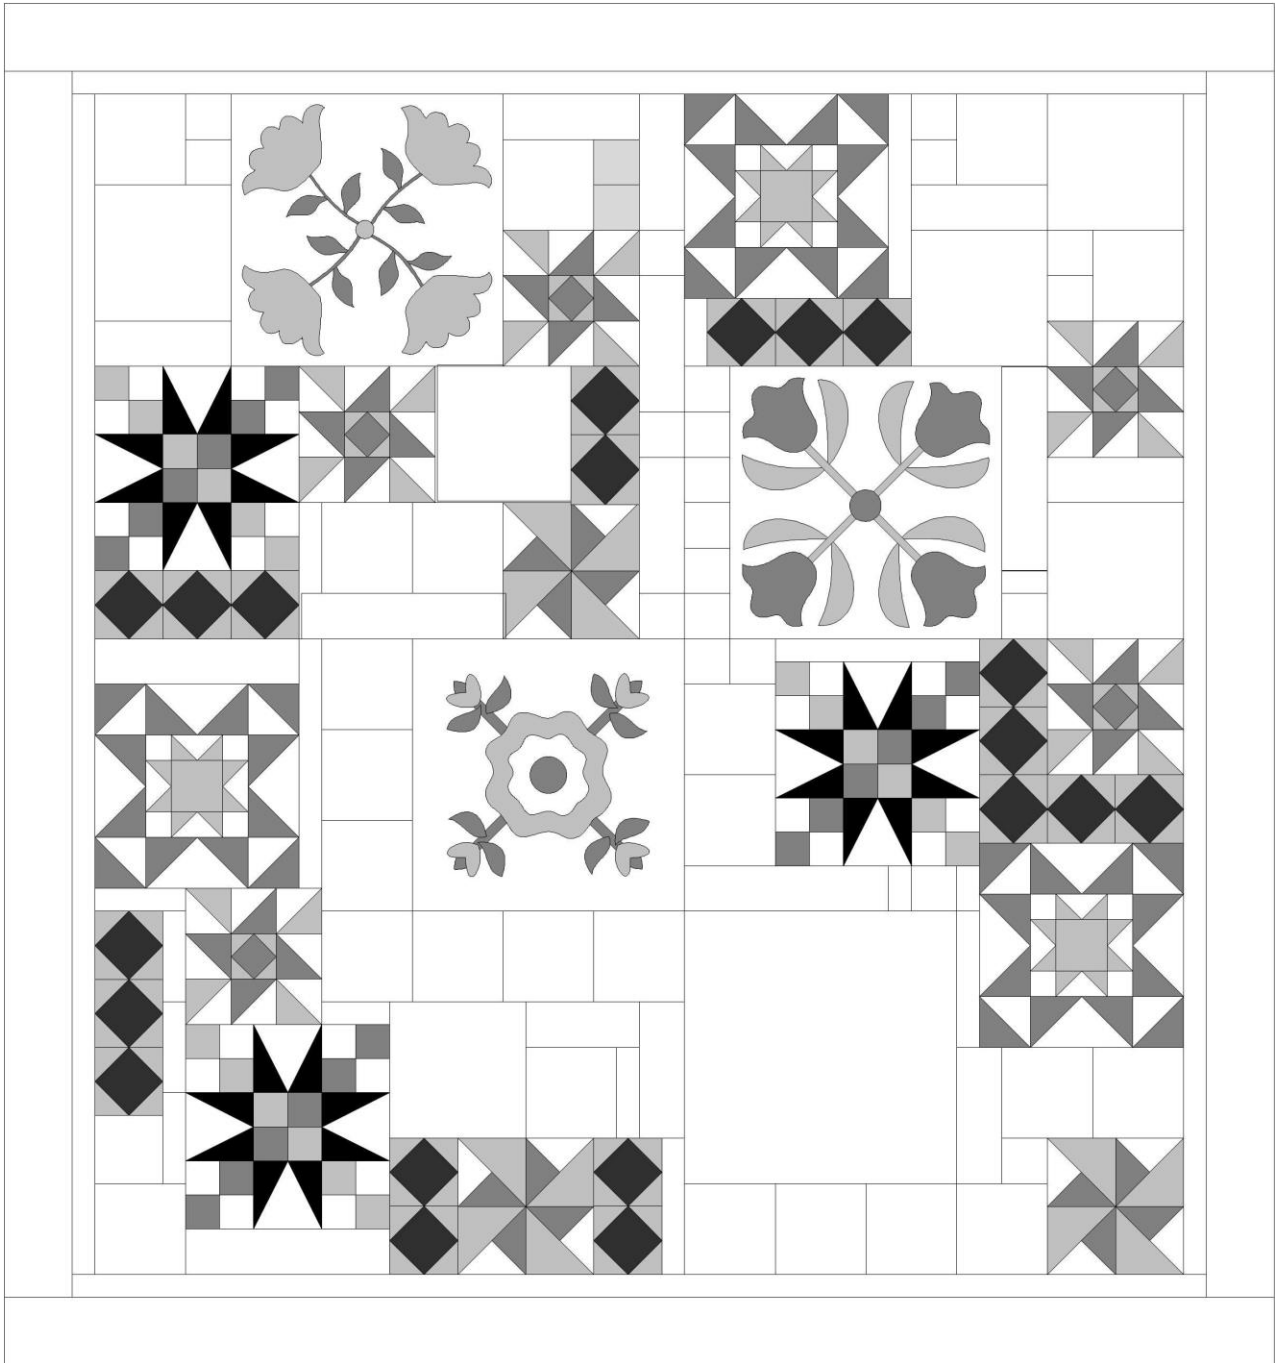

Background: Eight (8) 2" squares

Medium Light: Six (6) 2" squares

Medium: Six (6) 2" squares

Assemble colors as per diagram shown above.

Have fun playing with the colors!
